WATCH KIDS AND LAMBS FLOURISH WITH BILLIONS OF GOOD BACTERIA

HEALTHY LIVESTOCK | EASY DISTRIBUTION | SUPPORTS IMMUNITY | GOOD BACTERIA

OPTIKID AND LAMB™ HELPS WITH:

- Ensuring kids and lambs get the best start in life with billions of good bacteria along with the benefits of Oregano Oil and supplement of B vitamins to help them thrive.
- Avoiding kids and lambs getting diarrhoea with the help of NZ zeolite in the form of Optimate™ an ACVM registered product for toxin binding.

WHY USE OPTIKID AND LAMB™ ?

- Because it has a formulation specifically designed for kids and lambs to take them from birth to weaning.
- Kids and Lamb love the taste.
- Added B1 & B12 until the rumen is fully developed for health and growth
- CLOSTAT produces a specific biocide in the gastro-intestinal tract that has **inhibitory activity against Clostridium perfringens**

DIRECTIONS FOR USE:

- This product is designed to be fed at dose rate below or can be fed ad lib.
- For minor cases of diarrhoea add 10gm – 20gm per animal per day
- Liveweight Guide: Transition 10g to 3-8kg and 20g to 9 to 16kg.

WHAT IS OPTIKID AND LAMB™?

- It is a feed supplement to help kid and lamb general health and growth rates by treating diarrhoea, toxin binding and providing vitamins, probiotics and oregano oil.
