WEANING  
WEIGHTS**

### DIRECTIONS FOR USE:

- For best results, incorporate **OptiCalf™ Flourish** into their daily milk feed to ensure your calves maintain optimal intestinal microflora levels and achieve peak health and performance.
- This product is designed to be added to whole milk or milk replacer.
- **OptiCalf™ Flourish** is designed to be fed to bovine calves only.
- Add 5gm per calf, per day to milk.
- In times of stress or recovery, add 10gm per calf, per day to electrolytes or milk.

### INGREDIENTS:

Bacillus subtilis PB6, Saccharomyces cerevisiae yeast, Zinc, Chelate copper, Iodine, Chelate cobalt, Selenium.

### TRACE ELEMENTS PER 5GM DOSE:

<b>Zinc</b>	10mg
<b>Copper chelated</b>	2.5mg
<b>Cobalt chelated</b>	0.25mg
<b>Iodine</b>	0.3mg
<b>Selenium</b>	0.1mg

### STORAGE

Store in a cool, dry place. Seal bag after use.

### PACKAGING

10kg

**OptiCalf™ Flourish** combines two cutting-edge ingredients, Kemin® CLOSTAT® probiotics and SmartCare® postbiotic, both backed by extensive scientific research to enhance calf health and development.

**OptiCalf™ Flourish** also includes the top 5 trace elements required to get your calves performing at their peak.

### ABOUT KEMIN® CLOSTAT® PROBIOTICS:

Kemin® CLOSTAT® features a patented strain of Bacillus subtilis PB6, known for its proven potency in maintaining a balanced intestinal microflora. This probiotic supports overall health and boosts immune function, ensuring calves grow stronger and more resilient against diseases.

### ABOUT SMARTCARE® POSTBIOTIC:

SmartCare® postbiotic, developed from 80 years of Diamond V® research, contains hundreds of bioactive compounds that work together to support immune strength, digestive tissue integrity, and a healthy microbial balance. This ensures calves reach their full growth potential with improved feed efficiency and performance.

Trust **OptiCalf™ Flourish** and its scientifically proven ingredients to ensure your calves thrive and achieve optimal health and growth.
